Our Associate Artist scheme invests in the development of local artists and under-represented art forms, providing a platform for rarely showcased art in the region.

Jasmin's Arts by the Sea piece, K*TCHEN, will include a satirical commentary on women's roles in both life and art. Using her signature hooping skills, expect her circus magic to be visually spectacular and deep, reflecting on the double standards imposed on women in performance.

As part of her work, Jasmin brings people of all ages and backgrounds together. Her incredible performances to both schools and care homes in the lead up to the festival created emotional as well as physical reactions – so be ready to be moved.

ARTS BY THE SEA FOR EVERYONE

At Arts by the Sea, we aim to create an inclusive and accessible environment where everyone feels safe and where diversity is embraced.

The festival is part-funded and delivered by Bournemouth, Christchurch and Poole (BCP) Council and adheres to its Equality And Diversity Policy.

Here's how you can help make sure everyone feels supported and included at the festival:

RESPECT QUIET SPACES

We have created quieter spaces for people to enjoy the festival. This includes a special lower noise evening on Friday. Please be respectful of others in these spaces.

EVERYONE IS WELCOME

We welcome all visitors to Arts by the Sea. Hate of any kind will not be tolerated. Be an active bystander and report anything you experience or see to one of our festival stewards or volunteers.

TOILETS & CHANGING

Please be mindful of others when using accessible facilities and remember many disabilities are not immediately obvious or visible.

SPEECH FREE TRAIL

Experience the power of art beyond words. This selection of our line-up offers you a taste of performances and installations that communicate through movement, imagery and sound.

SUSTAINABILITY

We strive to minimize our environmental impact at Arts By The Sea, but we need your help! Make simple sustainable choices:

EAT, DRINK AND BUY LOCAL

Support local businesses and reduce your carbon footprint. Visit South Coast Makers Market and enjoy plant-based, locally-sourced food at nearby cafes. You can also visit the food and drink kiosks in Lower Gardens and on the Seafront like the Prom Diner.

RETHINK YOUR TRANSPORT

Travel by train, bus or bike, like our artists. We're partnering with SWR and you can also check out Beryl Bikes and More Bus to expand your transport options.

REFILL AND EAT IN

Refill your water bottle at the festival and choose to eat in cafes to reduce packaging waste.

To use our handy sustainability map and to find out more about what we're doing to help reduce our impact on the climate, scan the QR code or head to: artsbythesea.co.uk/sustainability

A vibrant poster for the Arts by the Sea Festival. The central image shows a man with long dreadlocks, wearing a white shirt and black trousers, performing a high jump over a large, silver, oval-shaped hoop. He is captured mid-air, with his arms reaching up to the top of the hoop and his legs bent. His dreadlocks are flying out behind him. The background is a bright blue sky with scattered white clouds. In the lower background, a crowd of people is visible, watching the performance. To the left, a building with a sign that says 'Aruba' and another that says 'LES AMUSEMENTS' is partially visible. The entire poster is framed by a thick, colorful border with a repeating pattern of stylized waves and floral motifs in shades of orange, yellow, green, blue, and pink. At the top center of the border is a small circular emblem with a stylized flower. At the bottom center is another similar emblem.
